Senate Bill 2038, passed during the 2023 legislative session, provides procedures for a landowner to seek release from a municipality's extraterritorial jurisdiction (ETJ) by filing a Petition with the City. The petition must meet certain requirements to qualify for release.

The City of Seguin has received a request from Ralph and Terry Boehnke to release a total of 454.482-acres of land that they own from the City's ETJ. Staff has verified that the request meets the requirements of the State statute. Ralph and Terry Boehnke are the sole owners of the properties. Per the new statute, the City of Seguin must release the properties from the ETJ.

Attached please find a resolution approving the release of the properties from the ETJ and a copy of the petition for release.
