City Council
Steve Parker, City Manager

FROM: John Donnelly, Director of Public Works

DATE: May 17, 2024

SUBJECT: Purchase of Two 15' Eagle Flex Wing Shredders

=====

The Public Works 5-Year Capital Equipment plan recommends the purchase of a new 15' Eagle Flex Wing Shredder. The purchase will allow the Right-of-Way crew to be more efficient operating the mowing schedule around the city.

Staff has received a proposal from Alamo Group in the amount of \$50,000 for two shredders. These new shredders will replace the two Landpride Shredders that are costly to maintain due to their age. This is a Sourcewell price, and the contract number is Al 070821-AGI. Staff has reviewed the proposal with management and finds the proposal has met all the required specifications and within the estimated budget of the 5-year plan.

Staff recommends purchase approval of two 15' Eagle Flex Wing Shredders from Alamo Group in the amount of \$50,000. Funding will come from the FY2024 General Fund – Capital Equipment.

Staff will be available to answer any questions.
