Re: Purchasing Interlocal Agreement with the City of Frisco, Texas

For the purpose of purchasing uniform items at a reduced cost through contract pricing, staff is recommending entering into an interlocal agreement with the City of Frisco, Texas. This agreement is entered into by many municipalities across the State of Texas. The City of Frisco seeks and receives complete bids each year for uniform items.

Staff would like to submit a resolution to Council authorizing the City Manager to enter into an interlocal purchasing agreement with the City of Frisco. Attached is the proposed agreement, specification and price list, renewal notice and resolution for your consideration.
