Subject: 100 Block of East Donegan Street Closure Request – Guadalupe County

Date: September 4, 2015

Guadalupe County has requested to close the 100 block of East Donegan during the restoration of the Historic Courthouse. The street closure will be for storage of large construction equipment and some parking for construction crews. Construction is expected to last ten months, to be completed by July 2016.

As this block is used often for large community events, Main Street staff has met with the contractor, The Koehler Company, to discuss the schedule for the street closure. The Koehler Company has agreed to close the street from October 26 to April 29, so as to lessen the impact to the community events.

There will be events still occurring in Central Park during these six months, but most of the events do not require access to this block.

Between now and October 26, fencing will be up surrounding the Courthouse for the demolition portion of the project.

After the project is complete, Donegan Street will reopen and the existing parking designations will be active.
