

Memorandum

To: Mayor and City Council Members
Steve Parker, City Manager

From: Tim Howe, Assistant City Manager

Subject: Texas Water Development Board Grant Application

Date: June 2, 2026

Historical Background

As part of the water / wastewater capital improvement plan and water masterplan the city will design and construct a 2 million gallon elevated storage tank near Cordova Rd and State Highway 46. This project is eligible for grant funding through the Texas Water Development Board (TWDB). As part of the application process the TWDB requires council to authorize a representative to submit the application by resolution.

Action Requested

Consider a resolution authorizing a representative to submit the application to the TWDB for consideration of a grant in the amount of \$21,000,000 to fund the design and construction of a new two million gallon elevated storage tank near Cordova Road and State Highway 46. This action does not guarantee an award but is required to submit the application for consideration.

Staff Recommendation

It is recommended that the proposed resolution be approved.

ATTACHMENTS

Resolution requesting financial assistance from the TWDB; authorizing the filing of an application for assistance and designating an authorized representative for the purposes of furnishing information and executing such documents as may be required in connection with the preparation and filing of the application for financial assistance.
