TO: City Council Members

FROM: Mayor Donna Dodgen

At the December 3, 2024 City Council meeting, we will be electing a Mayor Pro Tem. As proposed in 2020, I would like each Mayor Pro Tem to serve for a period of two years, even though Council votes on the item each year to comply with the Charter. I would like Monica N. Carter to serve a second year as Mayor Pro Tem. If there are any questions please do not hesitate to contact me.
