

## **“FIX IT” Application Guidelines and Process**

The City of Seguin Main Street has a “FIX IT” Façade Improvement Program that provides reimbursement for approved applicants for work on the exterior façade of property located in the Downtown Historic District providing up to a *maximum* 50% or a dollar-for-dollar reimbursement of up to \$10,000 per property per grant funding cycle. (Example: \$1,000 cost = \$1,000 paid by applicant/\$500 “FIX IT” matching reimbursement grant awarded to applicant.)

“FIX IT” funding is limited and grant awards are based on funds available. If your application is submitted at a time when there are no available funds, your application will be kept on hand until the next funding cycle. The Main Street Program is currently accepting applications for projects in the 2020 funding cycle. Applications will need to be submitted by 5:00 p.m. on Monday, **November 06, 2020** to the Seguin Main Street Office. If there are still funds available after the first round, there will be a second call for applications later in the year. For the community to achieve the maximum benefit, applications will be reviewed on the following criteria:

- Application submitted by the stated deadline and completed correctly.
- Matching funds ratio (Minimum 1:1, 2:1 or greater preferred)
- Location, visibility and impact on historic integrity of the Downtown Historic District.
- Total number of applications received and funds available.
- Type of proposed improvements; cosmetic or structural.
- Completion of previously funded projects.
- Plan review and approval by the Historic Design Review Committee.
- Improvements only to the exterior of the building.
- Current in payment of city utilities and local property taxes (city, county, SISD).
- Reimbursement will be made after the completion of the work and upon evidence of paid receipts.

All applicants are encouraged to utilize the free design services available through the Texas Main Street Program by contacting Seguin Main Street.

Fix-It Façade Projects may include repair or replacement of canopies, awnings, roofs, doors, entrances, glass and windows, sidewalks, façade painting, landscaping, ADA access, brick and mortar repair, and removal of modern slipcover facades. Signage requests will be considered on a case-by-case basis. Priority is given to proposed projects. Projects in progress and already completed will be given low to no priority in funding.

If awarded a grant, the proposed work must go before Historic Design Review Committee before the work begins. Failure to receive approval from the HRDC before work commences may result in the loss of the grant.

Applications will be reviewed and acted upon by the Seguin Main Street Advisory Board, City Manager and City Council. For additional information contact the Seguin Main Street Program at (830) 401-2448 or [mainstreet@seguintexas.gov](mailto:mainstreet@seguintexas.gov). Please submit application to Seguin Main Street Program, 116 N. Camp Street, or [mainstreet@seguintexas.gov](mailto:mainstreet@seguintexas.gov). In addition to the grant application, please include a W9 form.
