Ordinance on second and final reading amending the Seguin Code of Ordinances Chapter 98, Traffic and Vehicles, Article V, Stopping, Standing and Parking, Section 98-107, No Parking Zones, to establish a no parking zone on the south side of Rudeloff Road from Walnut Branch to the curve and along the west side of Huber Road, east of the Fields of Huber Ranch to the curve, southward; providing for an effective date; providing for publication; and providing for penalties for violation thereof

City Manager Doug Faseler advised City Council that staff met with Mr. Guerrero and his attorney to reach an agreement that would be fair to both parties. Mr. Guerrero plans to expand the complex with three additional fields, south of the existing fields. Also, once sewer is extended up Huber Road the complex will be connecting to the city sewer system, and he'll gain additional land for future parking. Mr. Guerrero is going to

start taking extra steps to get more people to park in the parking lot. The no parking signs will be delayed until June 1, 2018. Huber Fields has ordered signage for the entrance to restrict the parking lot, stating that RV parking is not permitted, and prohibit pop up tents and tailgating activities that take up parking space. Mr. Guerrero has an engineering firm preparing plans for constructing the additional parking, which will be submitted to the city for review and approval. Huber Fields will have to conform to engineer plans and ensure that a proper detention area is available for drainage.

Mr. Guerrero said he was pleased with the outcome of the meeting and has begun to take the initial steps to help alleviate the problems.

Council Member Jim Lievens and Ernest Leal said the compromise was a good solution to the problem. They thanked Mr. Guerrero and his partners and staff for sitting down and discussing the issues.
