

## **MEMORANDUM**

**To: Mayor and City Council**

**From: Andy Quittner, City Attorney**

**Date: June 4, 2020**

**Subject: Election Contract for November 3, 2020 General and Special Election**

---

The Resolution for consideration is to approve a contract with Guadalupe County for election services needed to conduct the November 3, 2020, General and Special Election, including early voting. The contract and estimated costs may be amended somewhat to include an expanded early voting. That issue is still being worked out between the Governor and the Secretary of State.

As has been the case in the past, this Contract anticipates that other entities will share in the election and its related expenses. With the advent of election centers – all entities share in all the costs. Seguin Citizens can vote, even for a single district candidate, anywhere in the County, making it easier to cast one's ballot. This will hold true both for early voting and on election day.
