RE: Guadalupe River Drive Lift Station Decommissioning– Bid Award Recommendation

Dear Ms. Ruckstuhl:

Trihydro Corporation (Trihydro) evaluated Bids received on Tuesday, February 10, 2026, for the City of Seguin Guadalupe River Drive Lift Station Decommissioning project. Our evaluation included review of the Bidders' responsiveness and math calculations for each Bid Item and total Bid Price. Three Bids were received as shown in the attached Bid Tabulation.

The total base Bid from the apparent low Bidder, Qro Mex Construction Company, Inc., was \$2,666,038.00. Qro Mex was responsive to the requirements of the Instructions to Bidders and there were no apparent errors with the Qro Mex Bid. Trihydro analyzed Qro Mex's ability to perform successfully under the terms and conditions of the proposed Contract and found no reason to deny their bid. Therefore, Trihydro recommends award to the apparent low Bidder, Qro Mex Construction Company Inc. for the Base Bid in the amount of **\$2,666,038.00** subject to approval by the City of Seguin. If you have any questions regarding our evaluation, please feel free to contact me.

Sincerely,
Trihydro Corporation
