Caterpillar, Inc.

No matter what your recreation requirements might be—from large, inclusive, ramped units, to the smallest single deck structure—Play & Park Structures has a product line designed to meet your space requirements as well as your budget.

Features and Benefits:

All of our individual products are designed with the children who will use them in mind. As your structure is designed, our playground experts look at the height of the playground components, required use zones, and pathways that encourage a good flow of traffic within the play space to eliminate unnecessary hazards.
