SERVICE AGREEMENT
2020 Requested Annexation
City of Seguin

AREA 2 (153.125 acres +/-) 2020

I. INTRODUCTION

This Service Agreement ("Agreement") is prepared by the City of Seguin, Texas ("City") pursuant to Chapter 43 of the Texas Local Government Code. This Agreement relates to the requested annexation of **AREA 2**, consisting of 153.125 (+/-) acres (hereafter referred to as **THE AREA**), located in the extra-territorial jurisdiction of the City of Seguin, Guadalupe County, Texas.

II. EFFECTIVE TERM

This Agreement shall be in effect for the period required by state law, commencing on the effective date of the requested annexation of **THE AREA**, unless otherwise stated in this Agreement. Renewal of the Agreement shall be at the option of the City. Such option may be exercised by the adoption of an ordinance by the City Council, which refers to this Agreement and specifically renews this Agreement for a stated period of time and in accordance with all applicable State statutes.

III. INTENT

It is the intent of the City of Seguin that services under this Agreement shall equal the number of services and the level of services in existence in **THE AREA** prior to annexation and which are available in other parts of the City with land uses and population densities similar to those reasonably contemplated or projected in **THE AREA**. However, it is not the intent of this Agreement to require that a uniform level of services be provided to all areas of the City, including **THE AREA**, where differing characteristics of topography, land utilization and population density constitute a sufficient basis for providing differing service levels.

The City reserves the right to amend this statutorily created contract if the City Council determines that changed conditions or subsequent occurrences or any other legally sufficient circumstances exist under the Local Government Code, or other Texas laws making this service Agreement unworkable or obsolete or unlawful.

provide such services, in whole or in part. The acquisition or construction of the facilities shall be accomplished by purchase, lease, or other contract or by the municipality succeeding to the powers, duties, assets, and obligations of a conservation and reclamation district as authorized or required by law.

As used in this Agreement, the phrase "standard policies and procedures" means those policies and procedures of the City applicable to a particular service which are in effect either at the time that the service is requested or at a time that the service is made available or provided. The policies and procedures may require that a specific type of request be made, such as an application or a petition. They may require that fees or charges be paid, and they may include eligibility requirements and similar provisions.
