

CITY OF SEGUIN

It's real.

To: City Council
From: Bruce Allen, Golf Course General Manager
Through: Rick Cortes, Deputy City Manager
Date: November 12, 2025
Subject: Resolution authorizing the City Council to extend the terms of four Golf Course Advisory Board Members.

Historical Background

The Bylaws of the Starcke park Golf Course Advisory Board allow a board member to serve for two 3-year terms and fill in for a partial term if necessary. The board currently has one member, Ronald Goetz, who has reached that limit. The board has one board member, Peter Hernandez, who filled in for a term, and two board members, Don Keil and Bruce Ross, who need to be approved for a second term. All but one of the current board members was actively involved in the renovation plans for the golf course.

At the last Board meeting on September 22nd, which was attended by City Manager Steve Parker, it was decided to keep the course closed until late spring or early summer next year. During that discussion it was suggested that it would be beneficial to keep the same board members for 2026 because they are familiar with the renovation.

Action Requested

Staff believe it would be beneficial to extend the term of Ron Goetz for one year and to appoint Peter Hernandez to his first term and Don Keil and Bruce Ross to their second terms.

Staff Recommendation

Staff recommend extending the term of Ron Goetz for one year. In 2027 a new board member will be appointed to fill in his remaining two years. Staff also recommend a 3-year term for Peter Hernandez, and a second 3-year term for Don Keil and Bruce Ross.
