Subject: Resolution releasing property from the City's ETJ as requested by Michael Boehnke, for Property ID No. 70337

Date: February 22, 2024

Senate Bill 2038, passed during the 2023 legislative session, provides procedures for a landowner to seek release from a municipality's extraterritorial jurisdiction (ETJ) by filing a Petition with the City. The petition must meet certain requirements to qualify for release.

The City of Seguin has received a request from Michael Boehnke to release a total of 12.340-acres of land that he owns from the City's ETJ. Staff has verified that the request meets the requirements of the State statute. Michael Boehnke is the sole owner of the property. Per the new statute, the City of Seguin must release the property from the ETJ.

Attached please find a resolution approving the release of the property from the ETJ and a copy of the petition for release.
