

# CYBERSECURITY AWARENESS MONTH 2025

**WHEREAS**, a local municipal government, recognizes that it has a vital role in identifying, protecting its citizens data from, and responding to cyber threats that may have significant impact to our individual and collective security and privacy; and

**WHEREAS**, critical infrastructure sectors are increasingly reliant on information systems and technology to support financial services, energy, telecommunications, transportation, utilities, health care, and emergency response systems; and

**WHEREAS**, maintaining the security of cyberspace is a shared responsibility in which each of us has a critical role to play, and awareness of computer security essentials will improve the security of the City of Seguin's information, infrastructure, and economy; and

**NOW, THEREFORE** I, Donna Dodgen, Mayor of Seguin, have the honor of proclaiming the month of October 2025 as Cybersecurity Awareness Month throughout the City of Seguin and encourage all of citizens, businesses, and institutions to use Cybersecurity Awareness Month to learn about proactive computer security procedures and put that knowledge into practice in their homes, schools, workplaces, and businesses.

**Presented this 6<sup>th</sup> day of October 2025**

**It's real.**
