RE: Rio Nogales Drive Reconstruction  
Engineering Services Proposal – Change Order No. 2

Dear Mr. Faseler:

The City of Seguin has requested that TRC provide this Change Order No. 2 for engineering services related to the above-referenced project. The change order consists of engineering design of approximately 2,900 linear feet of 12” sanitary sewer line along 8<sup>th</sup> Street and a new manhole at the intersection of Rio Nogales and Guadalupe Streets. The cost to provide the engineering services is \$18,500.00 (lump sum basis).

The services will be provided under the Master Services Agreement executed by the City and TRC. The extent of services included will match that of the original proposal. If this is acceptable, please execute on the line provided below and return this proposal to TRC. The opportunity to provide this proposal is greatly appreciated.

Sincerely,

K. Beau Perry, P.E. - TRC
