

## MEMORANDUM

**To:** Mayor and City Council Members  
Steve Parker, City Manager

**From:** David Rabago, P.E., CFM, City Engineer

**Through:** Rick Cortes, Assistant City Manager

**Subject:** Engineering Services Mesquite Street Extension and Utility Improvements

**Date:** November 23, 2020

Staff is requesting approval of a professional services agreement with Doucet and Associates for engineering services for the Mesquite Street and Utility Improvements Project in the amount of \$57,575.00.

The scope of work includes design of the extension of Mesquite Street to the west from N. Austin Street to approximately 150 feet east of Starcke Street. A water line will also be extended with the Mesquite Street extension and looped into waterlines in Hays Street and Starcke Street.

The engineering services agreement will be funded from proceeds from the sale of the former fire station at N. Austin Street.

Staff recommends approval and will be available to answer any questions at the December 1, 2020 City Council Meeting.
