---

The Texas Commission on Environmental Quality is currently accepting applications for the Nonpoint Source Grant. On June 14, 2019 TCEQ posted the RFGA for FY 2020 nonpoint source projects under the Clean Water Act Section 319(h) Grant Program. The purpose of this grant is to assist the State in implementing the Texas Nonpoint Source (NPS) Management Program.

The City of Seguin is applying for funds for a BMP Implementation Project to Reduce Bacteria and Nitrate-Nitrogen Loading in Geronimo Creek Watershed. In this case the grant funds will be used to assist in decommissioning septic tanks in the Deerwood Circle and Sunrise Acres subdivisions.

The City will be requesting grant funds in the amount of \$148,852.16, with a City match of \$59,540.85, the match includes \$53,563.95 matching funds for the decommissioning contractual services and \$4,974.07 in personnel costs.

Staff requests approval to submit the final application for this grant program.
