Subject: Presentation of AAMPO Vision and Goals

It's real.

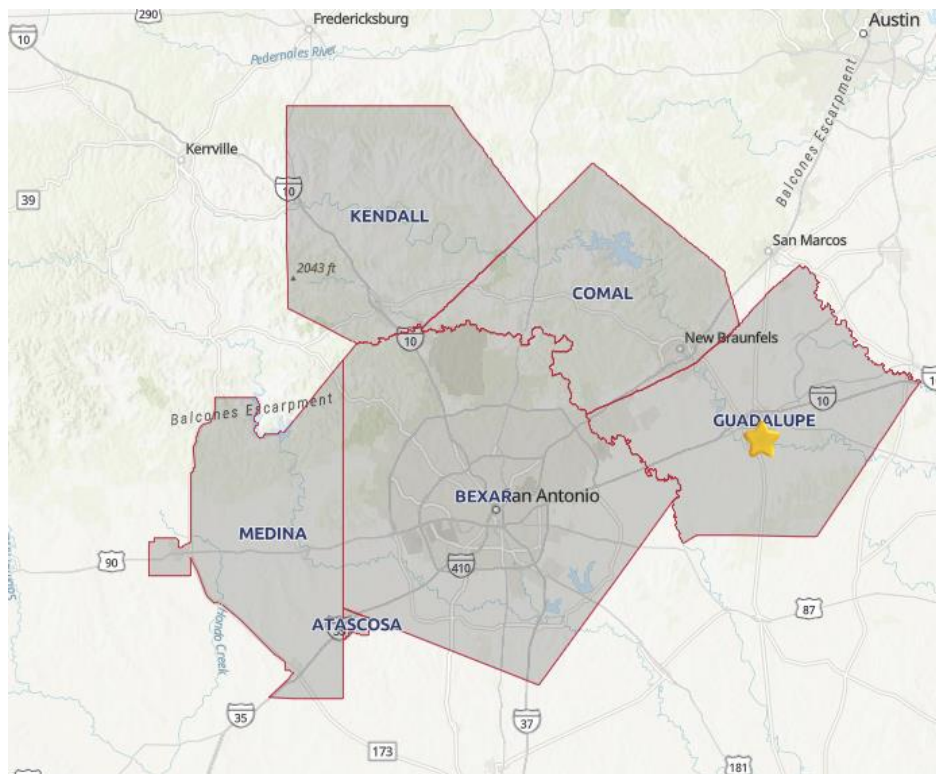

Historical Background

The City of Seguin is located within the boundaries of the Alamo Area Metropolitan Planning Organization (AAMPO), which provides a comprehensive, cooperative and continuous transportation planning process by local, state and federal officials.

Given new executive leadership desiring a clearer long range vision, along with unprecedented cost escalation and limited transportation funding opportunities, AAMPO desires to clarify and refine the project planning process with the emphasis on project readiness.
