Subject: Temporarily Relocating the "No Parking" signs

Date: April 28, 2022

Vitesco Technologies Inc. has requested that the No Parking signs be removed from the north side of Continental Drive during their warehouse expansion. Attached is Vitesco Technologies estimated time frame for construction. The signs cannot be removed entirely for safety reasons. The No Parking sign will begin 190 feet from Austin Street to a point 550 feet west on Continental Dr. Should you have any questions, please do not hesitate to contact me.
