The Office of the Governor's Criminal Justice Division has requested an amended resolution authorizing the submission of an application to the 2016 Violent Crimes Against Women Criminal Justice and Training Projects Grant Program. The amended resolution must include specific terminology committing the City to provide any matching funds required by the terms and conditions of the grant.

The department has proposed a budget in the amount of \$155,810 that includes salary, benefits, equipment and training for two criminal investigators. The grant will require a 35% match which equals \$54,533.50.
