Re: Project review
Draft report: *Intensive Cultural Resource Survey of the Park West Community Park, City of Seguin, Guadalupe County, Texas.*

Dear Mr. Matchen:

Thank you for allowing us to review the report referenced above. This letter serves as comment on the proposed undertaking from the State Historic Preservation Officer, the Executive Director of the Texas Historical Commission.

The review staff, led by Jeff Durst, has completed its review. After reviewing the documentation, we concur that archeological evidence related to the Moses Campbell home site located within the project APE indicates that the site is not eligible for inclusion in the National Register of Historic Places (NRHP) based on the lack of significant research value and the lack of association with a significant person or event. Additionally we concur that the standing remains of the Moses Campbell home site have been significantly altered and therefore the structure itself does not meet criterion C for inclusion in the NRHP.

The draft report that you have submitted is accepted. This project may proceed provided that no significant archeological deposits are encountered during construction and development of the property.

Thank you for your cooperation in this review process, and for your efforts to preserve the irreplaceable heritage of Texas. **If we may be of further assistance, please call Jeff Durst of our staff at 512/463-8884.**

Sincerely,

for
Mark Wolfe, State Historic Preservation Officer
