Re: Fire Department Volunteer Pension Board

Date: February 4, 2016

The Fire Department Volunteer Pension Board is comprised of six individuals from the Fire Departments, Volunteers, and the general public. Dale Skinner, Seguin Fire Chief, who currently serves as the Secretary for the board, would like to continue to serve on this Board. Therefore, I recommend the Seguin City Council approve the reappointment of Fire/EMS Chief Dale Skinner to the Fire Department Volunteer Pension Board. This item will be submitted to City Council for consideration and approval at the February 16, 2016 meeting. Should you have any questions please give me a call.
