Subject: 2016 Local Border Security Program

The Homeland Security Grants Division of the Governor's Office has solicited applications for projects that support Operation Border Star during the 2016 grant cycle. The purpose of the program is to sustain interagency law enforcement operations and enhance local law enforcement patrols in an effort to deter and facilitate directed actions to interdict criminal activity. These state funds are authorized by the Texas General Appropriations Act.

A grant application was submitted before the September 25th deadline for the Seguin Police Department requesting funding to allow the deployment of additional manpower to intercept the trafficking of drugs and weapons along Interstate 10 as well as State Highways 123 and 46.

If awarded, the requested funds in the amount of \$38,378 will cover overtime costs and vehicle/fuel expenses associated with this project. No matching funds are required.

Approval of the application is recommended.
