Through: Rick Cortes, Assistant City Manager

Subject: Pro Shop Remodeling Project Update

Date: November 19th, 2019

Last November, city staff updated City Council on the department's future plans for Starcke Park Golf Course. The most pressing need outlined during the presentation was the much needed remodeling of the Pro Shop. TSG Architects was chosen to provide the architectural and engineering services for the project. They have completed most of the design phase and hope to have the project ready for bidding before Christmas. We hope to begin construction in February 2020. I will highlight some of the most notable aspects of the project at the November 19th Council meeting. If you have any questions prior to this meeting please feel free to contact me at your convenience.
