## MEMORANDUM

Control #15-017

**TO:** City of Seguin City Council  
Mr. Doug Faseler, City Manager

**FROM:** Kevin K. Kelso, Chief of Police

**REF:** Site Location for New Animal Services Facility

**DATE:** March 26, 2015

---

Several months ago a committee was comprised to identify several potential locations for the construction of a new Animal Services facility. The committee took into account that the site would need to be suitable for an animal shelter, it needs to be approximately 1 ½ to 2 acres in size, a high traffic area, efficiently located based on current call load, nearby utilities and low cost. The initial seven sites were narrowed to three based on the above criteria.

The three sites identified which had the most potential as it related to the above criteria were: (1) S. King St and Eastwood Dr. near the nursing home, (2) Fred Byrd Dr. and SH 123, and (3) Kingsbury and Fleming Dr., near the animal hospital. The committee felt that the location at Fred Byrd Dr. and SH 123 best met the needs of the criteria that was established in selecting a site.

Staff is recommending the land located at Fred Byrd Dr. and SH 123 be identified as the selected site for the new Animal Services facility.
