Subject: Hidalgo Street – Roosevelt Drive Improvements - Change Order #2

Date: October 29, 2019

The scope of work for the Hidalgo Street – Roosevelt Drive Improvements project included the rehabilitation of Roosevelt Drive from west of North Austin Street to 400 feet east Woodland Drive to be performed by the City's Public Works Department. However, based on the Contractor's proposed cost and in an effort to provide more structurally robust street improvements with a longer life span, Staff recommends full depth reconstruction of Roosevelt Drive including installation of curb and gutter. Funding for this change order will be provided through a contingency fund.

Staff recommends approval of Change Order No. 2 in the amount of \$200,898.68 and will be available to answer any questions at the Tuesday, November 5, 2019 City Council Meeting.
