ABOUT LEADERSHIP SEGUIN

Leadership Seguin is a nine-month intensive exploration program of regional resources such as city and county government, city services and a tour of the many manufacturing facilities located in Seguin. The program provides a full leadership experience and self-exploration of the participant through team building and networking throughout the program. Each class also engages in a community project.

PURPOSE OF THE PROJECT

- Promote downtown Seguin
- Photo opportunity for tourists
- Raising awareness for downtown activities/events
