Date: July 2, 2024

To: Seguin City Council
Steve Parker, City Manager

From: Kate McCloud, Grants Administrator

Subject: Submittal of a Grant Application to the Motor Vehicle Crime
Prevention Authority

The Texas Motor Vehicle Crime Prevention Authority requires a City Council resolution with the application regardless of the grant amount we are requesting. The grant application will not exceed \$50,000 and will require a 20% match, if awarded.

If awarded, the Police Department will purchase 8 stationary license plate recognition (LPRs) cameras with 1 year of implementation services. The LPRs will be used to aid in the detection of catalytic converter thefts in and going through our City. It is estimated that the LPRs will cost \$34,000.

Staff requests approval of the resolution to submit with the grant application.
