WHEREAS, the Milam Street Project is part of the overall street and sidewalk reconstruction program and was funded through the 2018 Certificate of Obligations; and

WHEREAS, the Project requires the City to obtain some right-of-way and easements for the Project. The effected properties are shown on the attached Exhibit "A" which is incorporated fully in this Resolution by reference; and

WHEREAS, the appraisals for some of the effected properties have been completed and offer letters based on the full amount of the appraisals, along with a copy of the appraisals and the landowner's bill of rights will soon be submitted to the effected property owners; and

WHEREAS, if the City is unable to agree with the Owner as to the fair cash market value of the easement and/or right-of-way after submitting its offer that was based on a written appraisal by an independent fee appraiser then a final offer letter will be sent to the effected property owner. For those property owners who do not accept the final offer, further negotiations will be futile necessitating condemnation.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEGUIN, TEXAS:

PART 3. All acts and proceedings done or initiated by the employees, agents, and attorneys of the City for the acquisition of such properties are hereby authorized, ratified, approved, confirmed, and validated and declared to be valid in all respects as of the respective dates thereof with and in regard to the owners from whom such rights are being acquired.
