Re: Board and/or Committee Appointments

Planning and Zoning Commission

The Planning and Zoning Commission has one vacancy and Jeremy Garza with First Commercial Bank would like to serve on the commission. Therefore, I recommend Mr. Garza's appointment to fill the unexpired term through December 31, 2021.

The appointment will be submitted to City Council for consideration and approval at the July 16, 2019 meeting. Should you have any questions please give me a call.
