MEMORANDUM

To: Mayor and City Council Members
Steve Parker, City Manager

From: David Rabago, P.E., CFM, City Engineer

Through: Rick Cortes, Assistant City Manager

Subject: A.J. Briesemeister Middle School – School Zone Extension

Date: April 29, 2020

Seguin Independent School District has requested the extension of the existing school zone limits for A.J. Briesemeister Middle School along West Court Street (UA 90) and West Kingsbury Street (US 90). TxDOT performed a traffic study on UA 90 and US 90 in the vicinity of A.J. Briesemeister Middle School and has approved a proposal to extend the school zones on these roadways. The school zone limits will be extended west past the driveway on the west end of the school on both roadways.

Staff recommends approval of the proposed extension of school zone limits and will be available to answer any questions at the Tuesday, May 5, 2020 City Council Meeting.
