Re: Board and/or Committee Appointments

Convention & Visitors Bureau Board (CVB)

Brian Wallace with Seguin Brewing has resigned from the CVB Board, thus creating a vacancy. Downtown business owner Kenneth Centeno, owner of Southern Goods, would like to serve on the Convention & Visitors Bureau Board. Therefore I recommend Mr. Centeno's appointment to fill the unexpired term through December 31, 2020.

The appointment will be submitted to City Council for consideration and approval at the May 7, 2019 meeting. Should you have any questions please give me a call.
