RE: Purchase of Steel Poles Bid #TF-2022-11

Bids were solicited for the purchase of seventy (70) steel poles in various sizes as described on the attached bid tabulation for use by the City's Electric Utilities Department. Four (4) bids were received ranging from \$112,800 to \$244,000. SANPEC Inc. of Tomball submitted the lowest qualified bid and has provided steel poles to the City several times in the past.

Poles are being purchased for restocking purposes and to meet demand.

Delivery is expected in 12 to 14 weeks.

Staff recommends approval.
