**Date:** July 27, 2020

**To:** Seguin City Council  
Steve Parker, City Manager

**From:** Kathy I. Wood, Grants Administrator

**Subject:** Submittal of FY2020 Fire, Ambulance, Service Truck (FAST) Fund

---

The City Council previously approved a Resolution to submit a grant application for the FAST program. The Texas Department of Agriculture, in their pre-submission review, did not approve the service truck we had requested. Therefore, we are now requesting a brush truck that has received approval.

We are required to submit another resolution, in total, for the brush truck.

This grant requires the use of specific language in the Resolution.

The City is required to supply \$5,000 from General Funds to “match” this funding.

Staff requests approval of the resolution to submit with the grant application.
