Dear Sir,

I am writing you today to ask for your assistance in helping with the construction of the new Guadalupe County Children's Advocacy Center. As you know there have been several fund raisers to support this much needed facility as the current one is being renting and they are out of room.

Now comes the hard work. We are asking for help from our area businesses to defray the costs to build the center. Since we began this project, we have been blessed with numerous large donations towards completing our goal. To begin with, The Chambers Family of Seguin has donated two (2) acres of land for the facility. M & S Engineering donated their services for engineering the project. Thorn and Graves donated the Architect work. Now we are asking you to partner with us in getting the building constructed. So far we have Ingram Ready Mix donating the concrete; Hanson Brick has donated  $\frac{3}{4}$  of the brick and we will purchase the rest at \$2500. CMC will be providing the rebar for the concrete slab; 3-G Plumbing is looking to donate their services for the plumbing of the building; Williams Pipe Supply is looking at donating material for the project; Juan Maldonado has donated his services for the landscaping design that is required; Spring Hill Water will be supplying the water hook-up; and the County will be doing the sitework there. We are talking with Georgia-Pacific in McQueeney in reference to the sheetrock for the building. We are also talking with GVEC to consider partnering with us by donating the 400 AMP electrical service for this building. We are asking for the City of Seguin's support in waiving any and all fees that will be needed to construct this new facility.

As you know, The GCCAC deals with abused children, primarily sexually abused children. I am asking for your consideration in helping with this very important project to protect the children of Guadalupe County. The GCCAC is the voice for our children.

I will be waiting for your reply. Thank you for all you have done thus far in supporting our efforts for the new Guadalupe County Children's Advocacy Center.

Sincerely,

A handwritten signature in cursive script that reads "Arnold S. Zwicke".
