Re: Parking By Permit- Saunders Street

---

In May of 2023, the City adopted a parking by permit ordinance that would restrict parking on North Saunders. Over the past several months during citizen's comments, parking by permit has been brought up asking the City Council to remove the restriction. The Mayor has asked that this item be brought back for additional discussion and possible direction to see if the City Council is wanting to entertain the idea of amending the restrictions which are currently on both sides of Saunders.
