Re: TxDOT Transportation Alternatives Program

Texas Department of Transportation is currently accepting applications for their Transportation Alternatives Program. Staff is currently considering submitting for a sidewalk project that would connect the Hike and Bike Trail project segment on the south side of Kingsbury Street, to the sidewalk at Hwy. 46 that leads to Rodriguez Elementary. Staff is reviewing the very detailed requirements of the funding. If the project qualifies the application is due on Monday, May 4. If Council concurs a resolution by City Council ratifying the application will be needed.
