Mr. Tim Howe, Director of Water/Wastewater  
City of Seguin  
205 North River  
Seguin, Texas 78155

**RE: WTP Sludge Force Main Pipeline  
Bid No. TF-2022-01  
Bid Recommendation**

Dear Mr. Howe:

Seven (7) sealed bids were received at Seguin City Council Chambers on May 17, 2022 at 3:00 P.M. for the above-referenced project. The total Base Bid and Additive Alternate Bid amounts ranged from \$852,931.75 from M&C Fonseca Construction Company, Inc. of Granite Shoals to \$1,510,495.55 from Wampole-Miller, Inc. of San Antonio. A detailed bid tabulation is attached for your reference.

The project consists of Installation of approximately 4,100 linear feet of 8" PVC force main pipeline, for conveying water treatment plant sludge to the Walnut Branch Wastewater Treatment Plant.

TRC conducted reference checks on projects installed by the three (3) lowest bidders and found that M&C Fonseca Construction Company, Inc. has completed the projects to the satisfaction of the Owners and Engineers.

It is recommended that the City award the project to the low bidder, M&C Fonseca Construction Company, Inc. in the amount of \$852,931.75. M&C Fonseca Construction completed the Huber Road 24" Sanitary Sewer project for the City. The Contractor has a bid bond and will be required to furnish a Standard Form of Agreement, Performance Bond and Payment Bond to the City. The construction completion period is 300 days.

If you have any other questions or comments, please do not hesitate to contact this office.

Sincerely,

A handwritten signature in blue ink that reads "Craig Bell". The signature is fluid and cursive, with the first name "Craig" and last name "Bell" clearly visible.

H. Craig Bell, PE  
Austin Engineering Director-DMS
