

MEMORANDUM

TO: Mayor and City Councilmembers
Steve Parker, City Manager

FROM: Paul Wallace, Fleet Manager

DATE: March 2, 2023

RE: Amendment of Resolution 23-006

On January 17, 2023, Council approved the subject Resolution to purchase a Dump Truck from "Freightliner of Austin" in the amount of \$121,780.00. The original quote provided by the vendor was on the incorrect header which should have stated "Doggett of Freightliner of South Texas LLC" and the Total Due price shown of \$121,780.00 was not the correct price. On January 24, 2023, the vendor provided an updated quote on the correct header with a price of \$137,228.00.

The price and quote have been corrected, seeking approval of this purchase which is still within the budgeted amount previously approved for this Fiscal Year.
