Subject: Public Hearing on TxCDBG Program

A Public Hearing was previously conducted for this grant. We are required to re-conduct this Public Hearing as we have changed our requested equipment from a service truck to a brush truck. Additionally, the original Public Hearing posting was not in Spanish, as required.

The City is giving notice of its intent to submit a Texas Community Development Block Grant Program (TxCDBG) application for Fire, Ambulance, Service Truck (FAST) grant for \$500,000 to purchase a tanker and brush truck.

One of the requirements of applying for this grant is that a Public Hearing is held with the discussion of the following topics:

1. The development of housing and community development needs.
2. The amount of funding available.
3. All eligible activities under the TxCDBG Program.
4. Use of past TxCDBG funds.
5. The estimated amount of funds proposed for activities that will meet the national objective of benefit to low-to-moderate income persons.
