## MEMORANDUM

Admin 15-052

**To:** City of Seguin City Council  
Mr. Doug Faseler, City Manager

**From:** Kevin K. Kelso, Chief of Police

**Reference:** Removal of School Zone signs

**Date:** October 21, 2015

---

Staff was asked to evaluate the school zone signs that are situated around the perimeter of Saegert 6<sup>th</sup> Grade Center, 118 N. Bowie and the school zone on N. Guadalupe Street. Staff has conferred with Kirsten Legore, Executive Director of Student Services, regarding these two areas. Legore has indicated that since Ball Elementary is a Pre-Kinder campus, there are no safety concerns for walkers in this area.

Saegert 6<sup>th</sup> Grade Center is currently being used for overflow issues during the current construction at Seguin High School. Students would be bussed to the school if needed so there would be no walkers. The future of this campus is yet to be determined.

Staff is recommending the attached ordinance be considered for approval with regard to removing the 20 miles per hour school zone signs on N. Guadalupe Street as well as the school zone signs around the perimeter of Saegert 6<sup>th</sup> Grade Center.
