Re: Purchase of 3 Washer/Extractors

As Council is aware, the Fire Department was approved by Council to purchase gear extractors for the purpose of washing and decontaminating structural firefighting gear (PPE).

The old unit is no longer needed. Due to its age, it would not be of much value to auction. The New Berlin Volunteer Fire Department is in need of a PPE extractor.

The department is requesting to donate the Uimac Extractor, Serial Number UW60P2OU8001, to the New Berlin Volunteer Fire Department.

Respectfully,

A handwritten signature in black ink, appearing to read "D. Skinner".
