

**CAPITAL  
PROJECTS/  
ENGINEERING**

## **MEMORANDUM**

**To:** Mayor and City Council Members  
Douglas Faseler, City Manager

**From:** David Rabago, P.E., CFM, City Engineer

**Through:** Rick Cortes, Assistant City Manager

**Subject:** No Parking Zones along Continental Drive

**Date:** October 29, 2019

The City has received complaints from residents of the Rob Roy Estates and Northern Trails Subdivisions regarding cars parked on south side of Continental Drive. Also, employees from Continental Automotive Systems have expressed to City Staff long queuing times at the site parking lot(s) during shift changes.

In an effort to maximize accessibility and mobility along Continental Drive during peak traffic hours and minimize the amount of conflict created by parked cars along Continental Drive, Staff recommends No Parking Zones to be established along the north and south sides of Continental Drive east of Sabrina Street to North Austin Street (SH 123B). No parking signs will be placed on both sides of Continental Drive upon approval from City Council.

Staff will be available to answer any questions at the Tuesday, November 5, 2019 City Council Meeting.
