

MEMORANDUM

To: Mayor and City Council Members
Steve Parker, City Manager

From: Timothy J. Howe, Director – Water / Wastewater Utilities

Through: Rick Cortes, Deputy City Manager

Subject: FM 20 and Hannah Heights 12-inch Water Line

Date: February 6, 2024

At the request of the City of Seguin, K Friese & Associates, LLC. prepared a professional engineering service proposal for engineering related to the FM 20 and Hannah Heights 12” water pipeline project of approximately 8,300 linear feet to loop the existing 12-inch at SH 123 along the east side of the Woodside and Hannah Heights neighborhoods. This project is prescribed as part of the 2022 Water Master Plan and is designed to improve service to the existing developments as well as provide adequate capacity for the parcels immediately south and east. The scope of work includes both engineering design and construction administration.

The funding source is Utility Bonds. Staff recommends acceptance of this engineering proposal in the amount of \$594,672.00 and will be available to answer any questions at the Tuesday, February 6, 2024, City Council Meeting.
