Details

Location	Guadalupe County, Texas
Description	<p>The City of Seguin (herein called the OWNER) invites bids for a Street Improvement Project.</p> <p>Principal items of construction will include:</p> <p>Construct a surface treatment composed of a double application of asphalt material (CRS 2 or CRS2-P ONLY), each covered with aggregate, constructed on existing pavement surface in accordance with specifications. The application of grade 5 trap rock twice to complete the two courses.</p> <p>Contractor will need to provide a spreadsheet showing the application rates for both asphalt material and aggregate for every road and every application.</p> <p>All cleaning operations within residential neighborhoods is required to have the rock swept and removed. This may require a regenerative air-type sweeper. Swept rock and debris will not go past the curbs and/or into the yards of residents.</p> <p>After cleaning some striping is required. The striping will be with Thermoplastic that meets TXDOT specs.</p>
