To: Seguin City Council
Steve Parker, City Manager

From: Kathy I. Wood, Grants Administrator

Subject: Grant Required Final Public Hearing
Downtown Revitalization and Main Street Program

The City received a grant award from the U.S. Department of Housing and Urban Development, through the Texas Department of Agriculture, for a Community Development Block Grant. Our award number 84-850-9402 is for \$350,000 for the Downtown Revitalization and Main Street Program. The grant start date was February 1, 2020 and ended October 31, 2022.

The grant provided funding to improve the sidewalks along East Court Street, West Gonzales Street, and South Crockett Street. Approximately 850 linear feet of curb, gutter, along with island curb extension, curb ramps, and all associated drainage was completed under this grant.

As part of our close-out for this grant, we are required to have a Public Hearing. This grant was administered through Langford Community Management Services (LCMS). Janell Foster of LCMS will be available to conduct this Public Hearing along with Billy Hornung, the City's project engineer for this grant.

There is no action required from the City other than conducting this Public Hearing to close-out this grant.
