A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SEGUIN, TEXAS, AUTHORIZING THE CITY MANAGER TO EXECUTE A THREE-YEAR CONTRACT WITH TYLER TECHNOLOGIES IN THE AMOUNT OF \$178,761 FOR THE MIGRATION OF THE CITY'S ERP SYSTEM TO THE TYLER CLOUD; AND DECLARING AN EFFECTIVE DATE.

WHEREAS, the City of Seguin has utilized Tyler Technologies as its primary financial solutions provider since 2015, implementing various applications and system enhancements to modernize City processes; and

WHEREAS, Tyler Technologies is transitioning its development priority away from on-premises solutions in favor of cloud-based offerings, meaning advanced features and capabilities are no longer available in the City's current environment; and

WHEREAS, City staff has identified a need to migrate the City's financial system from the current City-owned data center to the Tyler Cloud to access advanced financial features, streamline operations, and further modernize City processes; and

WHEREAS, the City Council desires to enter into a three-year contract with Tyler Technologies to facilitate this migration, which includes software migration, licensing, support renewals, and implementation assistance; and

WHEREAS, the City Council finds that the procurement of these services and software components constitutes a procurement of captive replacement parts or components for equipment that are part of the City's existing suite of products from Tyler Technologies, and is therefore exempt from the competitive bidding requirements of Chapter 252 of the Texas Local Government Code pursuant to Section 252.022(a)(7)(D); and
