MEMORANDUM

To: Mayor and City Council Members
Douglas G. Faseler, City Manager

From: Kyle Kramm
Main Street Program Director

Through: Rick Cortes
Assistant City Manager

Subject: Downtown Parking Regulations Surrounding the Courthouse

Date: May 27, 2015

Guadalupe County is in the process of renovations to the Historic Courthouse, and once completed the Courthouse will house Commissioner's Court, Emergency Management, Information Technology, Justice of the Peace Precinct 2, and Precinct 2 Constable.

The County has requested changes to the parking regulations surrounding the Courthouse. Their request includes:

- Maintaining the County Official parking in the 100 block of East Donegan, north side of the street
- Maintaining the sheriff's parking in the 100 block of South Austin, east side of the street
- Removing the two-hour parking in the 100 block of East Court, south side of the street, and the 100 block of South River Street, east side of the street

The Seguin Main Street Advisory Board discussed their request at its May meeting and recommends maintaining the county official and sheriff parking. However, they recommend removing the two-hour parking in the 100 block of East Court, but keeping the two-hour parking in the 100 block of South River as the block has retailers that require a high turnover in parking.

The Main Street Advisory Board respectfully requests Council's approval of their recommendation.
