Seguin, TX 78155-5626

Re: Closure of a section of Donegan Street re: Construction of the Guadalupe County Historic Courthouse

Dear Mr. Faseler:

As you are aware, Guadalupe County has made a commitment to the City of Seguin to maintain and continually improve various county buildings.

Our next project is the renovation of the Historic Court House. This is a much anticipated project with a great amount of public interest. In order to expedite and facilitate this project we are requesting that the section of Donegan Street directly behind the courthouse be closed beginning September 14th through the completion of the project.

I want to assure you and the council members that all current building codes and regulations will be followed during the construction.

Your consideration and recommendation for approval by Seguin City Council of this request would be most appreciated.

Should you have any questions, please do not hesitate to call.

Respectfully,

Kyle Kutscher
County Judge
